# A New Chapter Is **Forming!**

**We are currently seeking Dallas  
Jewish, Christian and Muslim  
women to participate in this  
unique interfaith opportunity!**

**See below for contact details**

Is it possible to bring together a group of  
Jewish, Christian, and Muslim women  
and see them progress from strangers into  
a close-knit sisterhood of tolerance,  
genuine respect, and love?

If this could be accomplished, might it  
provide hope for world peace?
